

## Early Endorsements for Feldman

Dear Friend,

With the upcoming 2014 Legislative Session of the Maryland General Assembly less than a month away, I am looking forward to continuing to serve as your new State Senator representing District 15. I have been assigned to the Senate Finance Committee which will have jurisdiction over several "hot topics" this Session, including whether Maryland will raise the minimum wage statewide and several healthcare policy issues surrounding Maryland's implementation of the Affordable Care Act. I will keep you apprised of key legislative developments in Annapolis throughout the ninety day Session.

As the New Year approaches, 2014 also ushers in another election cycle. I am pleased to share with you three early endorsements that I have received from the **Maryland State Education Association**, the **Montgomery County Education Association** and the **Sierra Club**.

### **Educators**

High quality public education is at the heart of why Montgomery County is such a wonderful place to live and raise a family. Since 2009, Maryland has been ranked by *Education Week* as the top public school system in the nation. Strong support for our public education system and our teachers has been a priority for me during my tenure in the House of Delegates and will continue to be as I serve you in the Senate.

In recognition of my advocacy and strong record on these issues, both the Maryland State Education Association and the Montgomery County Education Association have endorsed my election for the District 15 Senate seat.

### **The Sierra Club**

The Maryland Chapter of the Sierra Club is one of Maryland's leading environmental advocacy groups, overseeing the protection of our natural and wildlife resources. The organization takes an active role in Annapolis, educating legislators and the general public alike about critical issues facing the General Assembly.

I have been endorsed by the Sierra Club for election to the Senate in 2014.

**Make a Donation**

When the General Assembly convenes on January 8th, legislators are required to suspend all fundraising for the ninety day session. Before the end of the year, please consider making a donation to my election campaign by clicking [here](#) or mailing a check to Citizens for Brian Feldman, P.O. Box 34408, Bethesda, Maryland 20827.

As always, feel free to contact me with your thoughts and comments by sending me an email to: [Senator.Feldman@gmail.com](mailto:Senator.Feldman@gmail.com).

I wish you and your family well this holiday season and Happy New Year!

Sincerely,

A handwritten signature in black ink that reads "Brian". The signature is written in a cursive style with a large, prominent "B" and a long, sweeping underline.
